- America's Ruling Class -

An Oligarchy is a form of government in which power effectively rests with A small elite segment of society. Lawyers currently make up approximately 1/3 of 1% of the population of The United States. Lawyers currently control over 85% of local, State and Federal governments including the Legislative, Judiciary and the Executive branches. The numbers and facts are real :

America is now an Oligarchy.

WHY IS OUR GOVERNMENT and OUR COUNTRY BEING RUN BY AN EMPOWERED, PRIVILEGED, AND UNETHICAL GROUP OF PEOPLE THAT TOGETHER REPRESENT THE LEAST RESPECTED PROFESSION in AMERICA ??

Is it 'We The People' or 'We The Lawyers'?

They are the cancer that is eating away at our country.

GLOOG is the antidote

Thank God It's Simple - When You Cast Your Vote

GLOOG - Get Lawyers Out Of Government

We're not going to fight City Hall - We're going to fumigate it...

Dear American Patriot,

All of you are aware of the myriad of problems that we face. All of you are aware that the America we love is being hijacked from within. All of you are aware that the 'leadership' is inept and has been for decades. But there is something that most are not aware of and has been camouflaged for years.

We hope you will join us and spread the word to expose what all politicians and all media refuse to admit:

You can call them anything you like.

Call them Republicans, Democrats, Progressives, Independents, Politicians, Judges, Congressman, Senators, Legislators, Public Servants, etc.

But the one fact and common denominator remains;

they are all with few exceptions - LAWYERS!

Anyway you do the math. - America is now ruled 100% by LAWYERS! -

- Sure we can vote again in 2012 to 'change' things -
BUT WE ARE JUST PLAYING A GAME OF 'Wack-A-Mole'!

How many times in the last 40 years have we 'changed' Congress?
How many times in the last 40 years have we 'changed' The Judiciary?
How many times in the last 40 years have we 'changed' The President?

With all of these 'changes' in mind, where has it brought us?

Is America better off today than it was 40 years ago?

You can replace all of the above in 2012 or 2014 or 2016 etc.

Once again - Your Vote Will Make No Difference!

Because 'as usual' you will replace them with the same group of people.

Simply put, you will be

'Changing the chairs on the Titanic'
