

Obamacare - The Name Says It All...

Author : F.William Houraney

Date : October 1, 2013

So we have the largest and most expensive health care program in the history of the world and it is identified and named after?? A lawyer!

Indeed what possibly could go wrong....

2700-page legislation written, interpreted, and executed by lawyers

The signing of Obama/Lawyer care. Take a wild guess what group of professionals are most represented at this signing and who also stand to benefit the most from this new 'law.'
