

Trey Gowdy - All American

Author : F.William Houraney

There are very few of them. The 'exceptions to the rule.' Real Americans who some how escaped from law school with their soul and their integrity in tact. We are proud to recognize this very special breed of 'saints among sinners.' At GLOOG they are simply referred to as [The Good Guys](#).

The latest 'good guy' to join the ranks may well be the most important yet. His name is Trey Gowdy. You most likely heard of him as he was just appointed to head the Committee to investigate Benghazi.

A rare breed indeed. He emerges in the lawyer Oligarchy of DC as a welcomed reincarnation of country lawyers like Abe Lincoln and Sam Ervin, the chair of the Senate Watergate Committee. Throw in a little Perry Mason and Matlock and you have what could be Obama and big government's worst nightmare: Trey Gowdy.

Epic: It Took Just 3 Minutes For Trey Gowdy To Shame An Entire Room Of Journalists Into Silence

Congressman Trey Gowdy turned the tables and asked the media the questions they won't ask themselves. The silence was deafening
